RSVP: Samantha Samantha-Payton@tamu.edu, 979-862-1769
Please RSVP by 5 p.m. Monday March 14, 2005.

Texas Intellectual Property Partnership (Tip2), a partnership between Texas A&M University Libraries and the US Patent and Trademark Office, is a specialized patent and trademark reference and research center. The center provides assistance in patent and trademark searching using the same databases found in the public search room located in Washington, D.C., training through the USPTO videoconferences, filing of Disclosure Documents, and the ordering of USPTO documents. Tip2 provides this unique asset to students, faculty, and components of the Texas A&M System and to independent inventors, businesses and industries.

If you are interested, there will be a US Patent and Trademark office interactive video conference/class from 12 - 3pm on March 15th. You are welcome to attend this presentation free of charge. The topic will be Double Patenting. If interested in attending, you may contact: Brian Carpenter via e-mail at BCARPENT@lib-gw.tamu.edu, or via phone at 979.862.1902.
