The Research Valley Technology Alliance would like to extend an invitation to you (or a representative of your company) to attend this event. Other attendees are expected to be prominent local area business as well as various other community representatives & elected officials. In addition, the RVTA would greatly appreciate your adding this announcement to any community calendars and/or including it as a public service announcement. This event is open to the public, though the audience is mainly expected to be technology oriented businesses.

The RVTA is nonprofit organization that is committed to promoting and supporting technology-oriented businesses and organizations throughout the 7-County Brazos Valley area. It was established in 1993 to provide a cohesive technological infrastructure as well as leveraging local resources to meet community needs. More information and a calendar of upcoming events can be found at www.bvta.org.
