The Research Valley Technology Alliance would like to extend an invitation to you (or a representative of your company) to attend this event. Other attendees are expected to be prominent local area business as well as various other community representatives & elected officials. In addition, the RVTA would greatly appreciate your adding this announcement to any

community calendars and/or including it as a public service announcement. This event is open to the public.

The RVTA is nonprofit organization that is committed to promoting and supporting technology-oriented businesses and organizations throughout the 7-County Brazos Valley area. It was established in 1993 to provide a cohesive technological infrastructure as well as leveraging local resources to meet community needs. More information and a calendar of upcoming events can be found at www.bvta.org.
